REFRIGERATION

## FUB 4S/C

### underbar freezer - stainless steel door

-14°C

#### features

- Stainless Steel grade 430 satin finish no 4 for sides, top and front grid
- Galvanized Steel – Rear and Bottom
- Polyurethane foam injection insulation
- Robust top and bottom hinges
- Fully adjustable heavy duty plastic coated shelves
- Digital temperature display with high/low voltage protection
- Self-closing doors
- Robust handles on doors
- All underbars supplied with brake castors
- Dual thermopane safety glass used for glass doors
- Adjustable thermostat -14°C
  - Auto Evaporation (The condensate is evaporated, hence no need to drain)
- All models are 220V – Plug in and switch on

#### specifications

- Doors: 2
- Height (with castors): 900mm
- Width: 1780mm
- Depth: 650mm/750mm
- Temperature Range: – 14°C
- Refrigerant: R404
- Internal Volume: L

#### emd equipped<sup>TM</sup>

Breakthrough technology replaces a conventional thermostat with an advanced electronic energy management system to cool quicker and maintain a more consistent temperature, while saving precious electricity.

#### green advantage<sup>TM</sup>

By combining EMD control with ECM fans, electronic expansion valves and high-performance coils, we are able to further reduce energy consumption while improving cooling performance.

#### swift swop<sup>TM</sup>

Our innovative swift swop<sup>TM</sup> technology enables easy replacement of the refrigeration deck without unpacking the contents of the fridge and without any skilled labour.

#### low e cabinet<sup>TM</sup>

A superior combination of LED lighting, polyurethane insulation and low emissivity glass yields power savings around 40% lower than conventional refrigeration units.
